

LOCAL GOVERNMENT SUPERVISORS ASSOCIATION OF WA Inc.

**presents the
13th ANNUAL WA WORKS AND PARKS
STATE CONFERENCE**

**Thursday 12th & Friday 13th August 2010
at the Novotel Swan Valley Vines Resort**

CONFERENCE SPONSORSHIP DETAILS

The attached information is provided for prospective sponsoring companies or identities interested in participating in the 2010 Conference.

The Conference Committee is presenting a package that shows value for money again this year, by not raising the costs for Sponsors or Exhibitors who wish to take up a booth or a bay, as special thanks to all our supporters. We continue to hold a deep commitment to achieving excellence in our conference trade display, which is now a major component of the overall conference experience for the delegates. (We also remain committed to increasing the number of delegates but the problem of distance remains for many who would like to attend – however, the Supervisors' network works very well, even if the physical presence is not available!)

It is intended that the Conference will provide professional development, discussion on points of joint interest, interaction with both old and new delegates and sponsors, and a relaxed environment in which to display products and services. We believe that the Trade Exhibition continues to offer both sponsors and delegates the opportunity to learn from each other while attending this event, as do the various presentations.

It is hoped that while reading through the information supplied, you will decide to take up one or more of the available packages on offer to you. If you would like to discuss further any of the items included in the following information, please feel free to call me, as nominated below.

The Committee thanks you for considering attendance at our Conference and we look forward to renewing friendships, as well as forging new links in 2010 at The Novotel Swan Valley Vines Resort, Verdelho Drive, The Vines.

Yours sincerely, *Shirley Barnes (on behalf of the Conference Committee)*

Please note: The Conference Committee does NOT make Accommodation reservations. Accommodation is available at the Novotel Swan Valley Vines Resort, with various options and levels of cost, and each person is responsible for making their own arrangements. Information is available on the LGSA website and please forward your accommodation requests directly to the Vines. Note: There are Conference discounts available if you advise the Resort that you are part of the event
